

Come to the Father's Heart

A buzz of excitement filled St Mary's School Hall Papakura, as 130 women gathered for our first Dove Day of Refreshment. Many women experienced God's healing touch as they were drawn into His loving embrace through the beautiful Praise and Worship.

Fr Neil Vaney joined us; with many women taking advantage of the opportunity to receive the sacrament of reconciliation; as well as taking the opportunity to receive prayer ministry.

The blessings of the day were made complete as we joined together with one heart for a beautiful Celebration of the Eucharist.

The beautiful warmth of the Hawkes Bay hospitality, if not the sunshine, greeted Helen and her National Team in Napier. The Greenmeadows Day of Refreshment was well attended by 70 women of all ages. The Holy Spirit's presence and healing power was powerfully felt through the beautiful worship prayer ministry reconciliation and Eucharist. Father Terry Carr joined us for this very special day.

A rainbow appeared over this beautiful Taranaki river as Helen Funnell and the National Team gathered on its banks to thank God for the many blessings received at the Hawera Day of Refreshment. Forty women gathered for this special day of praise prayer and fellowship. Fr Tom Sherry also joined us for part of the day, and celebrated with us in a Eucharist. A number of the women who were present are now also planning on attending the Wellington Day on the 20 August.
