

My Bride, I don't see you as you see yourself. You see your sin, and I see a forgiven princess. You see who you were, and I see who you will become as I crown you in My glory. You give yourself guilt, and I give you grace. You hold yourself hostage to your past, and I give you the key to freedom in Me. You are lovely in My eyes, and nothing you could say or do will change this truth.

(Good News)

I will establish my people in the land and make them prosper. I will show love to those who were called "Unloved", and to those who were called "Not my people" I will say, "You are my people", and they will answer, "You are our God."
