

## A Testimony...

### South Auckland Dove Day of Refreshment

### *Come to the Father's Heart*

What an amazing day! Our South Auckland Day of Refreshment was held in St Mary's School Hall in Papakura. The love God has for us was evident right from the moment we entered the school grounds. Some wonderful servants of God greeted us with a warm smile and instructions on where to park.

On entering the hall we were warmly greeted with a lovely small gift leaving us feeling thoroughly spoilt. Thinking that things can't get much better our day then began, and what a day!

How Amazing is God's love! Each one of us could experience the depth, height, length and breadth of the love He has for us. His love permeated our very being, right to our souls, and all this in one day!! The music ministry spoke to us, as though Jesus himself was talking, and the words and scriptures read throughout the day were a testimony of God's great love. The love he has for each one of us as His daughters. There was plenty of time to meet new faces and some not so new, to share our laughter and our tears and to just be with our Father. As the day drew to a close, some of us felt that we could stay forever soaking in God's abounding love. The day was a wonderful reminder, that He is our Father in heaven and we are invited to "Come to the Father's Heart" at all times and in all circumstances.
