

Dove Wellington October 2011 Meeting

Speaker: Diana Ingle from Christchurch

Diana has been involved in ministry for 28 years. The last four she has trained and worked with Rita Bennett at 'Emotionally Free' seminars in Seattle and, under Rita's blessing and guidance, is founder of Christian Renewal Association NZ. Diana is gifted in discernment, words of knowledge, the prophetic, deliverance and healing.

Our Wellington Dove meeting for October was inspired by this Spirit-filled woman from Christchurch. Diana, impressed upon us the privilege of being daughters of the King – each and every one of us and we should claim that identity! As His princesses, God has clothed us in royal robes of righteousness. Because of our identity we are invited to the wedding feast in the Kingdom of God, wearing our princess shoes!

Diana challenged us to stop living by our emotions and embrace our identity as daughters of the King, no matter what we face. Her message from the Lord invited us to really come into His presence as his favourite, a chosen one ready to trust Him completely; in all areas of our lives.

We were blessed by this dynamic Holy Spirit filled woman as she taught and ministered to us. Women were amazed at how accurate her words to them were as she prayed over them after her talk.
