

Dove West Auckland July Meeting

Fred Webb spoke on Help

Fred shared that we are chosen by God and that faith in God is new life in God and that is perfect help.

“In 1975, I went along to a Life in the Spirit Seminar. On the fifth day I received prayer and that night my life didn’t seem so different except I couldn’t stop going to the large interfaith prayer group in Helensville. I didn’t like it but I couldn’t stop going; you work that one out! After about six months of attending we were sitting in a big circle; everyone was asking for prayer for this that and the other. I found myself in the middle of the circle saying ‘I can’t make it on my own can you pray for me,’ and that day my life changed.”

Thank God.
