

Dove West Auckland May Meeting

Brenda Hill spoke on Provision

“The action of providing needs equipment.”

We know it is more than that; God promises to meet all our needs.

Brenda gave a moving account of how God provided her with everything she needed in her life from selling her home in Auckland in just two weeks to her moving with her husband to Italy to be with her daughter and grandchildren and then back again to Auckland.

“A lavish banqueting table with gifts beautifully wrapped, just sitting on this table just sitting there; why? Are they sitting there because we haven’t asked for them and we haven’t said to God what have you got for me, what have you got for me at this moment and on this day? Because you haven’t asked they are just sitting there. He must be really disappointed that He has all these things for us prepared and we don’t ask for them. So are you ready to go to His lavish feast? Are you ready to see what is in those little gifts He has for each of you?”
