

An Easter blessing from Dove North Shore

Dear friends

After experiencing the grief of losing Jesus, we know that the only thing left for Mary Magdalene to do was anoint the Body of our Lord Jesus - a task that the Sabbath day had interrupted. Imagine how Mary Magdalene felt upon arriving at the tomb and finding not a lifeless, broken body but a living Saviour! She doesn't recognize Him at first but she does recognize His voice calling her name. Instantly, her grief turned to joy. She was so overjoyed that she had to share this news - "I have seen the Lord."

We too have seen Him daily Body, Blood, Soul and Divinity in the Most Holy Eucharist - how blessed are we! Although we can't participate physically at Mass for a while, we can joyfully recall that we have seen the Lord every time we participated in Holy Mass. Like Mary, we can celebrate Christ's resurrection and share the good news that He's Alive - Alleluia!

Heavenly Father, You are more than worthy to receive all glory, honour and praise. We thank You that in Jesus You have made us complete. We thank You for the victory that Our Lord Jesus won for us on the Cross at Calvary and for His Resurrection. We thank You for vanquishing death and the evil one. In the Name of Jesus, we rejoice in Your goodness and mercy. Amen

I wish you and your family a very blessed and happy Easter. I pray that God bless and keep you all safe in these difficult times, and that the graces of Christ's Glorious Resurrection will be given to you in superabundance.

Blessings

Sylvia
