

# Dove Catholic Fellowship For Women HB Newsletter 8th March 2021

## President's Pen:

Greetings, all you princesses of the Kingdom,

Our journey has begun! To those of you who came to our meeting last month, I hope you have written a destination on your ticket, and are keeping it in your Bible, or somewhere you might see it in your personal prayer time as a reminder of Jesus' promise to take you on a personal spiritual journey this year. For those of you who didn't get to the meeting I reproduce the ticket here. It is an invitation to board the "Dove bus" for another exciting journey with Jesus. Each of us will be journeying to a personal destination known only to Jesus and ourselves, because our relationship with Him is unique. However, Dove meetings will help carry us forward on that journey, through the treasures God offers us each time we meet, anointed praise and worship, prayer ministry, teaching, and fellowship. When we say "The sound of the Dove will be heard throughout this land", we are saying that Jesus turns up at our meetings. Did you know "the Dove" referred to in the Song of Songs is Jesus? And he always touches each of us in some loving way. *Blessings, Gloria*

**March meeting:**

**Saturday 27<sup>th</sup> 2-4pm**

**St Mary's Centre, Greenmeadows**

Please keep in mind the **4<sup>th</sup> Saturday** for our public meeting. I know it is challenging after so many years of 3<sup>rd</sup> Saturdays. Mark your calendars!!!

At the March meeting, I hope some of you will be led to share a joy spot of some way the Lord touched your life this month.
